Uz autora Dražena Lalića,
o knjizi će govoriti
Robert Matteoni, Filip Zoričić,
Ivan Žagar i Seid Serdarević.

FRAKTURA

INSTITUT 
MEDITERRAN

The book cover features a vibrant, expressive painting of soccer players in action. The central figure is a player in a red jersey, looking intently towards the right. Other players in white and blue jerseys are visible in the background, some near a goal. The style is reminiscent of modernist or expressionist art, with bold colors and visible brushstrokes. The text is overlaid on the lower half of the painting.
